On behalf of the City of North Las Vegas and its residents, it is my sincere pleasure to extend my support to Back the Badge, a Benefit Concert Supporting Our Local Law Enforcement.

The North Las Vegas Police Department is the backbone of our community. The men and women who so selflessly protect us and secure our city truly are heroes. I stand fully behind any effort to support them.

There is perhaps no more important time than now to recognize our law enforcement officers and first responders. Recent events have proven just how stressful and uncertain their jobs can be, and I am proud that our community wants to stand in solidarity with them.

I commend Michael Sweeney for his amazing leadership and dedication to this effort, which will bolster our North Las Vegas Police Department and the security of the entire Southern Nevada region. Public safety is among our residents' top priorities, and generously helping to provide our officers the resources they need will only help our city continue to grow and improve. Michael, your contributions are greatly appreciated.

I am grateful for the opportunity to extend my support to this wonderful endeavor and to congratulate everyone involved for their initiative and community focus. Best wishes for a successful and memorable event.

Sincerely,

John J. Lee
Mayor

Re: Back the Badge Event

Dear Mr. Sweeney,

One of the most important services in any city is to keep our residents safe. Our emergency responders, and particularly our police, are on the front lines every day helping to serve and protect our communities. Their jobs are difficult and they deserve our support.

That is why I was grateful to hear about efforts of the Southern Nevada Homebuilders Association, the Greater Las Vegas Association of Realtors and all the participating sponsors' efforts to create the "Back the Badge Event" as part of the upcoming 2017 Real Estate Expo to be held in April at the Orleans Arena. I am certainly supportive of any efforts to help our police men and women, and I am grateful for your efforts to help give them the attention and respect they deserve.

We appreciate you taking the time to reach out to us about your plans, and we wish you great success in your efforts to produce such a worthwhile event. We look forward to participating with you and wish you all the best as you prepare for the "Back the Badge" event supporting our valley law enforcement agencies.

Sincerely,

Andy Hafen, Mayor
The City of Henderson
